HOROSCOPE

For Saturday, May 30, 1998

ARIES (March 21 to April 19) There's not much to do, and you're glad of it. An evening of family fun awaits.

TAURUS (April 20 to May 20) You spend some time outdoors that refreshes and invigorates you. Later you enjoy a reunion.

GEMINI (May 21 to June 20) Something being proposed has a catch. Look it over carefully before deciding.

CANCER (June 21 to July 22) You have no patience for a friend who appears to be playing games. Tell this person flat out what you think.

LEO (July 23 to Aug. 22) Your looks and charm can be a lethal combination when you want them to be.

VIRGO (Aug. 23 to Sept. 22) You're on the brink of something new, related to your career or a domestic matter. Your sharp mind is able to embrace this development.

LIBRA (Sept. 23 to Oct. 22) Sometimes an apology just isn't enough. You have to show the injured party you mean what you say.

SCORPIO (Oct. 23 to Nov. 21) Domestic matters consume most of your time. However, you're really not in the mood for much else.

SAGITTARIUS (Nov. 22 to Dec. 21) Rather than brooding about an off-hand remark by a thoughtless family member, try to ignore it.

CAPRICORN (Dec. 22 to Jan. 19) Following through on a group activity planned long ago isn't thrilling you. You spend more time on it than you'd like.

AQUARIUS (Jan. 20 to Feb. 18) You're amazed at someone's request. Obviously, this person sees something in you that you haven't recognized.

PISCES (Feb. 19 to March 20) It's back to those domestic chores which seem never-ending at times. However, you accomplish much and are pleased by day's end.

ACES ON BRIDGE

ACES ON BRIDGE puzzle. By Bobby Wolff. In bridge, there is nothing as boring as a bad run of cards. Nevertheless, a defender must always remain alert. Sometimes, even with a Yarborough, a poor holder must make a crucial play. West has virtually all the missing high cards against South's heart game, but guess who has to make the key defensive play? Sit in East's chair and follow the proceedings. If you can keep from yawning, you might find the crucial play. South takes his club ace at trick one and leads a low trump toward dummy. A wide-awake West takes his ace immediately and cashes his club queen. Then he exits safely with his last trump. Had West lazily ducked the first trump, he would have had no safe lead after winning his trump ace and club queen. After dummy wins the second trump, South postpones a try for an unlikely 3-3 diamond break and leads a low spade from dummy instead. What card should East play? If he plays a sleepy deuce, South escapes with his game. South inserts his eight, and West is end-played. A spade exit offers a free finesse, a club concedes a ruff and sluff, and a diamond lead opens the suit for South. To save West, East must rise with his spade nine on the spade lead from dummy. This eliminates the endplay on West, and South must lose two spade tricks for one down.
